18 October 2018

Dear Parents/Carers,

Please find enclosed a copy of your child's Personalised Learning Plan (PLP). Through the PLP we are able to share with you areas of particular focus for your child.

Targets are organised into five sections which focus on what we believe to be the most important areas for all pupils and then within each section targets are specific for each child. We envisage that each different section will be weighted according to which is the greatest focus for a pupil at any given time and this will change at different times throughout each pupil's school career.

- My Communication
- My Movement
- My Feelings and Friends
- My Thinking
- My Independence

Each pupil will have one target which appears on their PLP in blue. This is the target which we encourage your child to be most aware of. We work with our pupils to have an understanding of all their targets to a level which is appropriate but the blue target will be the one on which greatest emphasis is placed e.g. because it is highest priority, largest or perhaps because it impacts in multiple areas.

We hope you find them useful and informative. Please do not hesitate to ask should you require any further clarification.

Many thanks

Isabel Robson  
Headteacher
