

21st November 2018

Dear Parents and Carers

Adur Sea of Lights Parade

On Saturday 24th November 2018, there will be the annual Adur Sea of Lights parade and, as usual, we are joining in. The Adur Sea of Lights is a community run festival which aims to bring inspiring events to the Worthing and Adur District, reaching out to all sections of the community. This year's theme is Space. Children have been making colourful lanterns out of tissue paper, balloons and glue.

We would love as many children and parents to come along as possible. No unaccompanied children please. We will begin to arrive at Monks Recreation Ground, Lancing at 4:00pm, for a 4.30pm start. The usual place for meeting is along the football club wall. The Muster Point for Herons Dale School is the **Orange Flag**.

There will be a free lantern making workshop called the Creation Session and it will run from 12:00 – 3:00pm in Lancing Parish Hall. In addition, this year there will also be a 'quiet (SEN) session' for children with additional needs and their families, from 11:00 – 12:00pm.

We would really appreciate it if you could let us know if you are coming in order that we bring enough lanterns. Please ask Friends and Family to come along too. Please return the tear off slip or email the office office@heronsdale.co.uk to let us know if you can come along.

For your information road closures are in place between 4.15pm and 5.30pm. Please see the Sea of Lights website for further information <http://www.seaoflights.co.uk/>.

We hope to see as many of you as possible joining in our parade. Many thanks for your support.

Urszula Ferks-Piskorska
