

Effectiveness of Leadership and Management

- Further develop the confidence and abilities of subject leaders
- Develop social opportunities for staff and team building opportunities

Quality of Education

- The teaching of writing through means other than hand-writing is understood and is high profile
- To ensure cross curricular learning is taking place and that all opportunities for cross curricular learning are utilised

Autumn 2021 and Spring 2022

Behaviour and Attitude

- Pupils influence the learning taking place in school being empowered to use their voice
- All staff to engage with the Therapeutic Approaches to Behaviour Work

Personal Development

- Improved outside area for all pupils, especially those with sensory needs
- Online safety will be high priority for all staff and for the whole school community
