

Spring

Leadership & Management

- Effective and responsive monitoring of parent and stakeholder engagement will be in place
- To build upon existing community links and to establish new community relationships and opportunities

Quality of Teaching, Learning & Assessment

- All staff ensure that pupils' individual communication needs are met at all times
- The teaching of writing through means other than handwriting is understood and is high profile

2020

- One Stop Shop—holistic assessment and tracking system will be in place and embedded
- Systems in place which effectively integrate the range of pupil outcomes identified in EHCPs, PEPs, PLPs and LAC reviews into the school's existing evaluative systems and processes

Outcomes for Pupils

- Pupils influence the learning taking place in school being empowered to use their voice
- Teachers to feel confident to support children with Attachment needs

Personal Development, Behaviour and Welfare
